Excerpt:

DXF files for the Aluminum Extruder Mount.

Description:

If you have an older Printrbot and want to upgrade to our Aluminum Extruder but want to cut the mount plates yourself, then these are the files for you. All previous models are included in this page. Download the one you need and cut away.

If you can, please use the online documentation found at <http://www.youmagine.com/designs/printrbot-aluminum-extruder-mount-plates> because those may have been be updated. Also, there you can interact and provide praise and/or feedback.
